## 2. LICENSE GRANTS

The licenses granted in this section are subject to the terms and conditions set forth in this EULA:

- 1) Subject to paragraph 2, you may install the Software on multiple host systems.
- 2) Software usage is controlled by a License Key. Installation of the key dictates upon which system the Software can be used.
  - a) Changing the host system date and time to an earlier time (back dating) may disable the license key. Back dating a host system to circumvent license limits violates the EULA.
- 3) You may make copies of the Software in machine-readable form for backup purposes. You must reproduce on any such copy all copyright notices and any other proprietary legends on the original copy of the Software. You may not sell or transfer any copy of the Software made for backup purposes.
- 4) You agree that Migration Specialties may audit your use of the Software for compliance with these terms at any time, upon reasonable notice. In the event that such audit reveals any use of the Software by you other than in full compliance with the terms of this Agreement, you shall reimburse Migration Specialties for all reasonable expenses related to such audit in addition to any other liabilities you may incur as a result of such non-compliance.
- 5) Unless otherwise set forth in the documentation relating to such code and/or the Software or in a separate agreement between you and Migration Specialties, you may modify the source code form of those portions of such software programs that are identified as sample code, sample application code, or components (each, "Sample Application Code") in the accompanying documentation solely for the purposes of designing, developing and testing applications developed using Migration Specialties software programs; provided, however, you are permitted to copy and distribute the Sample Application Code (modified or unmodified) only if all of the following conditions are met: (1) you distribute the Sample Application Code with your application; (2) you do not include the Sample Application Code in any product or application designed for website development; and (3) you do not use Migration Specialties' name, logos or other Migration Specialties trademarks to market your application. You agree to indemnify, hold harmless and defend Migration Specialties from and

against any loss, damage, claims or lawsuits, including attorney's fees that arise or result from the use or distribution of your application.

- 6) Your license rights under this EULA are non-exclusive.

---

### **3. LICENSE RESTRICTIONS**

- 1) Other than as set forth in Section 2, you may not make or distribute copies of the Software, or electronically transfer the Software from one computer to another or over a network.
- 2) You may not alter, merge, modify, adapt or translate the Software, or decompile, reverse engineer, disassemble, or otherwise reduce the Software to a human-perceivable form.
- 3) Unless otherwise provided herein, you may not rent, lease, or sublicense the Software.
- 4) You may permanently transfer all of your rights under this EULA only as part of a sale or transfer, provided you retain no copies, you transfer all of the Software (including all component parts, the media and printed materials, any upgrades, all platforms, this EULA, the serial numbers, and, if applicable, all other software products provided together with the Software), and the recipient agrees to the terms of this EULA. You may retain no copies of the Software. You may not sell or transfer any Software purchased under a volume discount.
- 5) Unless otherwise provided herein, you may not modify the Software or create derivative works based upon the Software.
- 6) You may not export the Software into any country prohibited by the United States Export Administration Act and the regulations thereunder.
- 7) You shall not use the Software to develop any product having the same primary function as the Software.
- 8) **License Termination**  
In the event of a license termination, all other rights of both parties and all other provisions of this EULA survive any such termination.
  - a) In the event that you fail to comply with this EULA and have USB dongle-based licenses deployed, Migration Specialties may terminate the license. You must return all license dongles and destroy all copies of the Software.
  - b) In the event that you fail to comply with this EULA and have textual-based licenses deployed, you are subject to payment of \$3,000,000.00USD to cover violation of the license agreement and compensate Migration Specialties for loss of control of a critical software product.

---

### **4. UPGRADES**

If this copy of the Software is an upgrade from an earlier version of the Software, you must possess a valid full license to a copy of an earlier version of the Software used to upgrade to this upgrade copy in order to install and/or use this upgrade copy. You may continue to use each earlier version copy of the Software to which this upgrade copy relates on your computer after you receive this upgrade copy, provided that, (i) the upgrade copy and the earlier version copy are installed and/or used on the same computer only and the earlier version copy is not installed and/or used on any other computer; (ii) you comply with the terms and conditions of the earlier version's end user license agreement with respect to the installation and/or use of such earlier version copy; (iii) the earlier version copy or any copies thereof on any computer are not transferred to another computer unless all copies of this upgrade copy on such computer are also transferred to such other computer; (iv) the earlier version copy or any copies thereof are not transferred to any other party unless you also transfer this upgrade copy and any copies thereof to
